

Yoltic Cruz Tello

yolcruzellido@gmail.com • +52 221-574-1689

Education

Benemérita Universidad Autónoma de Puebla

Bachelor degree in Physics

Dec 2021

Studying physics at BUAP helped me to develop my math skills while studying about the world and how it works

Project highlight

Personal website

My personal website where I talk about me and showcase some of the work I've done.

<https://www.yolcruz.com/>

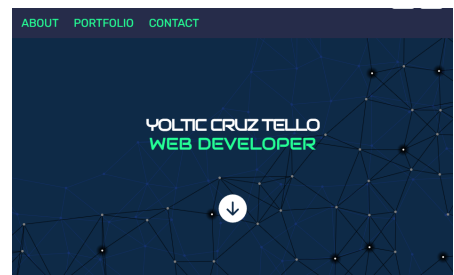

Figure 1: Desktop version of my personal website.

Pomodoro with tasks manager

A pomodoro app with 3 different timer levels to choose from and a task manager to keep track of your achievements.

<https://www.yolcruz.com/pomodoro>

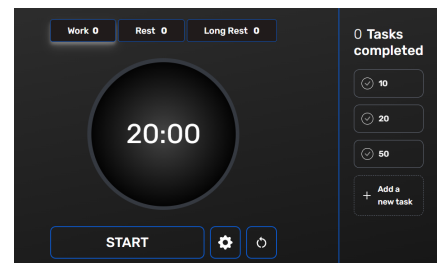

Figure 2: Desktop version of pomodoro app.

Calculator

Working calculator with buttons to add input and fully text input support. Handles calculation errors and shows operations historial.
